Entry Requirements

Lyons College programs are open to all students, although key requirements need to be satisfied.

Language, Literacy and Numeracy Requirement

This course requires you to read learner workbooks, complete a range of written assessments, undertake independent research activities and engage in forums and discussions. To demonstrate the necessary skills, each applicant will be required to complete a language, literacy and numeracy assessment.

Pre-Training Review Requirement

We will conduct a Pre-Training Review of an applicant's current competencies. The Pre-Training Review will:

- Identify any skills or competencies previously acquired to ascertain a suitable, and the most suitable qualification for each student.
- The student's existing educational attainment, capabilities, aspirations and interests. This will guide us to consider any future study or employment goals that the student has.
- Identify any barriers to learning and steps to overcome these.
- Ascertain that the proposed learning strategies and materials are appropriate for that individual.

Assessments

A variety of teaching, learning and assessment strategies are used to support course delivery to ensure theoretical and practical skills are achieved.

These may include but not limited to:

- Lectures discussions, and classroom activities
- Research & Project work
- Written Assessments

Recognition of Prior Learning (RPL)

Recognition of Prior Learning (RPL) is an assessment pathway, which the learners can utilise to gain recognition regarding the skills, knowledge and experience gained through work experience, life experience, training courses and work-based training. This is assessed against the evidence requirements of one or more units of competency.

The RPL process will suit the learners better if they have:

- Paid or unpaid work experience
- Skills and knowledge gained on the job
- Short courses and work-based learning
- Other life experience
- Prior formal training
- Community work experience
- Trade skills

The RPL process allows students to receive recognition under these circumstances and therefore enables them to focus more on areas where they need to achieve competency to gain their qualification. Students who believe they already have some of the competencies in the course may apply for RPL. An essential requirement of RPL is that the student can prove that they currently have the required competencies.

The RPL assessor available for the learner will discuss with the learner about the different evidence required for RPL assessment. Some of the evidence that will be collected from the learners include:

- Work appraisals
- Job Descriptions
- Photos or actual work samples
- Resume and references
- In house training certificates
- Relevant formal qualifications
- Eye witness testimonials
- Informal RPL Interviews
- Observation at your workplace or a simulated workplace

Credit Transfer (CT)

Credit transfer involves granting credit for Units in which the student is already competent in partial or full completion of a qualification. Lyons College recognises qualifications and/or Statements of Attainment issued by other RTO's, however, it reserves the right to verify any qualifications submitted for authenticity. To apply for credit transfer, students must complete the Credit Transfer Application and attach copies of verified documents to support their application.

Fees

There are four possible options of how to fund the training:

1. Full-fee payment by student
2. VET Student Loans scheme
3. Concession
