Inspiration of Lyons College

Lyons College is named after two of Australia's most respected and ground-breaking public figures, Joseph and Enid Lyons. Joseph (1879-1939) and Enid's (1897-1981) stories both reflect future-focused values. Joseph and Enid Lyons began their professional careers as schoolteachers. They both went on to enter politics with a view to improving educational opportunities, health and welfare, and economic prosperity of twentieth-century Australians. While raising their 11 children, Joseph became the first person elected both State Premier (Tasmania, 1923-1928) and Prime Minister (1932-1939) while Enid became the first Australian woman elected to the Federal House of Representatives (1943-1951). A political powerhouse, Enid, the 'rabble-rouser' and Joe, the 'firebrand' were the disrupters of their day. They embraced technology, social inclusivity, actively fought for gender equality and the right to free, quality education in Australia.

The Lyons' leadership of change agendas demonstrate the importance of persuasive communication skills and charisma, forging workable relationships between otherwise opposing parties for the good of Australia's future. The achievements of Joseph and Enid Lyons are a testament to Lyons College to their community and their capability to listen to and work with other stakeholders to achieve social and economic reform. It is here that Lyons College finds its inspiration.

Note: Lyons College and the use of the Lyons name is not connected with or endorsed by the Lyons family.

Why Choose Lyons College?

Perfect Location

Lyons College Melbourne is situated in the heart of the bustling city, offering an exceptional location for students who seek a diverse and vibrant learning environment. The college is just a stone's throw away from some of Melbourne's most iconic landmarks, such as the Royal Botanic Gardens and the National Gallery of Victoria. Additionally, Lyons College Melbourne is located near several student resources that provide valuable support and assistance. These include student services centers, health clinics, and counseling services. The college also has excellent transport links, with several tram and bus stops located nearby, making it easy for students to travel to and from campus. Overall, Lyons College Melbourne's location is perfect for students who wish to immerse themselves in a dynamic city environment while having access to top-notch academic resources and student services.

Career pathway - BACC, BBUS and MBA(IS)

At Lyons College Melbourne, we offer a comprehensive course pathway for students seeking to pursue a career in accounting, business, or management. Our Bachelor of Accounting program is designed to provide students with the theoretical and practical skills needed to succeed in the fast-paced world of accounting in Australia. Accredited with CPA Australia, Bachelor of Accounting students will gain a deep understanding of financial reporting, taxation, auditing, and other essential accounting concepts, preparing them for a wide range of accounting roles.

Learning at Lyons College

Our experienced and dedicated staff are passionate about teaching and are committed to providing high-quality instruction to our students. Our teaching faculty includes qualified industry professionals who bring real-world experience and expertise to the classroom, giving our students a practical understanding of the skills and knowledge needed to succeed in their chosen field.

In addition to our teaching faculty, we have a team of highly trained and supportive staff who are committed to providing the resources and support that students need to succeed. Our support staff includes academic officers, student support officers, and career services professionals, who work together to ensure that students receive the guidance, pastoral care and assistance they need to achieve their goals.

College Culture At Lyons College

We foster a college culture that is defined by flexibility, openness, transparency, and freedom of expression. We believe that a supportive and inclusive learning environment is crucial for the success of our students and the college community as a whole. Overall, Lyons College Melbourne's college culture is defined by flexibility, openness, transparency, and freedom of expression. We are committed to providing a supportive and inclusive learning environment that values diversity, encourages open communication, and fosters a sense of community.

Vision, Mission, Values

OUR STRATEGIC FRAMEWORK
Lyons College's Culture Statement, the study experience you shape, outlines our Vision, Mission and Values. It is at the centre of our education culture and strategy.

Our Vision

To make a positive contribution to industry, society and community through industry focused education.

Our Mission

To be the provider of choice for students by providing innovative, industry specific, flexible and quality courses that have real job outcomes.

Our Values

Progress towards our mission is guided by a set of core values that underpin all of Lyons College's activities. These core values are:

Accountability, Integrity, Quality Inclusion and Student Focus.

Accountability

Accountability means striving for excellence and being answerable to ourselves and our community. This will be reflected by holding each other to account, striving for optimal impact and relevance through working together and making a positive and valued contribution to industry, society and community.

Integrity

Integrity means expecting and applying the highest personal, professional and ethical standards in all our actions. This will be reflected in transparency, consistency and fairness in our conduct and practices.

Quality

Lyons College strives to ensure that its educational offerings remain of the highest quality and relevant to student, staff community and employer needs. This will be reflected in the contribution that our students, alumni and staff provide to industry, society and the broader community.

Inclusion

Lyons College demonstrates inclusion and diversity through hiring practices, admissions processes, teaching and working environments and through formal policies and procedures. Access will be enhanced for students across a range of socio-economic backgrounds, from both within and outside of Australia, who wish to succeed, prosper and contribute value through further education. Likewise, Lyons College is an equal opportunity employer and will support staff in their ongoing professional development.

Student Focus

Lyons College strives to have a student focused mindset that includes listening to student needs and ensuring a positive learning experience. This will be reflected in the quality of our student services and satisfactory of students.

Life In Melbourne

Victoria is well known for embracing different cultures and students like you are a big part of that. You probably already know Melbourne is a thriving modern city where you'll be able to enjoy lots of different interests and activities. This part of the handbook has information about what it's like to live in Melbourne and Victoria. Lyons College has included some websites where you can get extra information too.

Melbourne is one of Australia's most multicultural and cosmopolitan centres with a long history of immigration and the establishment of many ethnic communities, each has its own unique character, rich with distinctive customs, festivities, foods and art which has made Melbourne what it is today.

Campus Location

The Lyons College campus is conveniently located in the heart of Melbourne's central business district on prestigious Collins Street. We are one block from Flinders St Station, with tram stops literally in front of the building. The address :

Level 4
303 Collins Street
Melbourne VIC 3000

Life @ Lyons College

Library and Learning Resources

As part of our commitment to enable students to achieve their academic endeavours, Lyons College has a physical library on campus. There are many textbooks available, including the prescribed textbooks for all units being taught, both in VET and higher education courses.

Depending on the course, Lyons College will provide students with electronic textbooks at no cost to the student. As well as this, Lyons College subscribes to various resource and information services where students can access a range of e-books, journals, articles and other publications.

Lyons College subscribes to the ProQuest Collection. The collection features thousands of full-text journals, dissertations, working papers, key business and economics periodicals such as The Economist and Sloan Management Review, country-and industry-focused reports, and major news sources like the Wall Street Journal. The library also contains photocopiers and printers for student use. Resources may be borrowed via the library team or electronically.

Computer Access

Lyons College has two dedicated computer labs for students to use. Students will be issued with a Lyons College email address and will have access to Microsoft Office during the entire period of their enrolment. This will be at no cost to the student.

Students will also have access to a printer and photocopier. There will be reasonable costs associated with printing and photocopying, however students will be provided with an initial credit for printing and photocopying services.

Wi-Fi Access

All Lyons College facilities have full student Wi-Fi access.

Break out rooms for group work

There are several teaching rooms available to students as breakout rooms or group study rooms. These can be booked in advance through reception.

First Aid Facilities

A first aid kit is available at reception. In the case of a medical emergency, please inform the nearest Lyons College staff member for assistance and guidance.

Communal Kitchen Facility

Lyons College has created a casual break out area for students containing kitchen facilities. Students have access to a fridge, microwave, sandwich press, kettle and water dispenser. There are couches and chairs and tables to provide a relaxed area for students to hang out in between class or to eat their meals at lunchtime.

Teaching Facilities

To help create an environment for students to succeed, Lyons College has invested in modern campus. There are eight teaching rooms which can be used for lectures or tutorials. All teaching rooms are equipped with audio-visual equipment and students will have access to the Wi-Fi network as well. There are two fully equipped computer labs which can be used for teaching, as well as being used by students when classes are not scheduled.

Cost of Living

You will have new and ongoing expenses during your time in Australia. Knowing the average living cost is an important step when preparing to study in Australia.

These expenses are on top of your tuition and study fees, and include costs like accommodation, food, text books, transport and other things you will need while in Australia. Living costs vary according to your circumstances, including the type of accommodation you choose, its location, the number of people you live with and your lifestyle.

The costs below are an approximate guide only. Students should be aware that these costs can vary depending on your study location in Australia.

Minimum Cost of Living

The Department of Home Affairs has financial requirements you must meet in order to receive a student visa for Australia. From 1st October 2023 the 12 month living cost is:

You	\$24,505
Partner	\$7,100
or Spouse Child	\$3,040

All costs are per year in Australian dollars.
To convert to your own currency, visit <http://www.xe.com>.

Accommodation and Expenses

Accommodation Type	Approximate Weekly Price
Hostels and Guest houses	\$90 to \$150 per week
Shared Rental	\$85 to \$215 per week
Home stay	\$235 to \$325 per week
Rental	\$165 to \$440 per week
Boarding schools	\$11,000 to \$22,000 a year

Expenses Type	Approximate Weekly Price
Groceries and eating out	\$80 to \$280 per week
Gas, electricity	\$35 to \$140 per week
Phone and Internet	\$20 to \$55 per week
Public transport	\$15 to \$55 per week
Car (after purchase)	\$150 to \$260 per week

Student Wellbeing and Support

Academic Support

The Academic Board has mandated that a minimum of one hour of consultation per unit per week will be allowed for each academic staff member teaching unit in any bachelor program.

Administrative Support

The administrative staff can help with orientation, enrolment matters, official documentation, student fees, scholarships and much more.

Technical Support

Online after-hours academic support, IT, and software support for resources provided by Lyons College.

Personal Support

Committed to providing protection for the welfare and well-being of students.

Disability Support

Lyons College ensures that students who have a disability are afforded every opportunity to succeed in their academic endeavors.

Personal Support

Committed to providing protection for the welfare and well-being of students.

Student Testimonials

I have completed the Diploma of Leadership at Lyons College. Currently continue with Bachelor of Accounting. Lecturers here are helpful and friendly, I have learn so much and getting confidence for my future career.

Yanting Guo (China)
- Bachelor of Accounting (Formerly)
- Diploma of Leadership and Management student (Formerly)

I'm pleased to highlight that all the staff and teachers here are friendly and helpful. Thankful for them leading me on personal and academic growth. I highly recommend Lyons College to student who is seeking for a great college for their educational journey.

Dipa Pun Magar (Nepal)
- Bachelor of Accounting (Current)

I found BAcc course help me so much, not just in education and in life how to be managed.

Andy Jong (Malaysia)
- Bachelor of Accounting (Current)
- Diploma of Leadership and Management student (Formerly)

I make some good friends here and enjoy my study at Lyons College, especially the activities at Lyons College. I like the flexibility of online classes and onsite classes.

Yingqi Zhang (China)
- Bachelor of Accounting (Formerly)

Higher Education

Postgraduate Qualifications

Master of Business Administration (Information Systems)
Graduate Diploma of Business Administration
Graduate Certificate in Business Administration

The MBA (IS) develops graduate Business Managers and Information Systems specialist who are ready to participate in business as generalists. Graduates are prepared to be an effective conduit between both the information technology specialists and the key decision makers in the business.

This program takes an interdisciplinary approach to provide work-ready graduates with real world skills. With themes of business intelligence, systems analysis and design, research and data systems projects and strategic planning.

Students can take advantage of our Study-period based system and suggested study pattern through our face-to-face study modes and complete the study in as little as four Study-periods.

This course allows them to enter or exit via the Graduate Certificate of Business Administration (GCBA) and Graduate Diploma of Business Administration (GDBA).

The Master of Business Administration (Information Systems) MBA(IS) is a masters by coursework program developed to embrace the demand for skilled individuals to work within the Management and IS sectors.

The course is designed to provide flexible study options to enhance knowledge and skills to enhance career prospects. The MBA(IS) has a practical and interdisciplinary focus with the themes of four main areas:

- Soft Skills
- Contextual Specialization
- Technical Expertise
- Professionalism and Practice

Soft Skills – develops a range of foundation and soft skills including Adaptability, Collaboration, Analytical Skills, and Industry and Occupation Skills.

Contextual Specialisation – Students are then introduced to the foundations of Information Systems (IS), project management and business process management in relation to IS.

Technical Expertise – Digital knowledge and skills are critical to students developing skills to being a conduit between the information systems specialists in business and the more business-oriented members of an organisation.

Professionalism and Practice – Research based Project and management, systems analysis, business intelligence and finally a professional practice, project based Unit to integrate all areas.

In addition, teamwork, sound and ethical decision making and strategic planning are key features of the course. Graduates are trained to apply an advanced body of specialised knowledge to the changing environments in which they work, or aspire to work, as leaders and managers at a broader level of competency from the GDBA.

They develop the cognitive, technical and creative skills to make effective IS business decisions in a global context and develop the leadership and team-building skills necessary to manage information systems in dynamic 21st century organisations. Increased breadth has been developed through the inclusion of advanced project management skills, requirements management and specialised projects on data systems which impacts on contemporary businesses.

Master of Business Administration (Information Systems)

CRICOS Code	112679K
Duration	Domestic students- 2 years (4 Study-periods full time) / International students- 2 years (Full Time)
Study Mode	Face to face
Course Fee	\$19,800/Year \$9,900/Semester \$3,300/Unit
Entry Requirement	Bachelor degree from a recognised tertiary institution (equivalent to AQF7) OR Graduate Diploma (equivalent to AQF8). OR Graduate Certificate (equivalent to AQF8) with a weighted average mark of 60% or higher. Upon successful complete on of the Graduate Certificate in Business Administration (GCBA) with a weighted average mark of 60% or higher, students can transfer to the Master of Business Administration (Specialisation) and receive credit for applicable units.
English Proficiency	IELTS score of at least 6.0 with no band less than 5.5, or an equivalent score on an alternative English test such as the Test of English as a Foreign Language (TOEFL), the Pearson Test of English (PTE), Cambridge Advanced English (CAE), and the Test of English for International Communications (TOEIC). The test result must not be older than 24 months from the date the course commenced.
MBA(IS) Course Structure	The Master of Business (Information Systems) consists of 6- core Units, 5 specialist IS Units, 1 Capstone. (120 credit points total).
Intake	March, July, November
Delivery Location	Level 4, 303 Collins St, Melbourne, VIC 3000

Graduates also acquire research skills to equip them to interpret and evaluate theoretical propositions and business-related data and to maintain the currency of their MBA(IS) culminates in a business capstone project where research skills are consolidated and applied to a strategic business problem. Students are encouraged to complete an industry placement elective Unit to enhance their employability.

The course is planned to be facilitated on-campus via small classes, via intensive teaching sessions developed to suit the complex life circumstances of the student over the duration of the course.

The MBA(IS) course and Unit design and development are the result of a collaborative curriculum design process culminating in the production of a face-to-face on-campus experience designed to meet the needs of the working professional and be immediately applicable to their day current and/or future career.

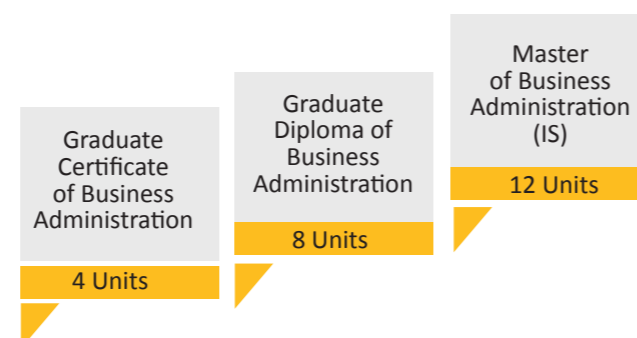

The course objective is to develop graduates who demonstrate a high level of management and technical competence and strong ability to interpret information to solve workplace problems. Graduates need to be able to work between highly technical teams and operational / managerial teams in the organisation to translate needs and possible solutions. Graduates develop skills to determine what IS solutions are possible versus which are realistic in the work place, and they acquire skills in research and problem-solving to use to maintain and develop their professional disciplinary currency once in the workplace. Graduates are prepared to engage in ongoing self-reflection, self-directed learning and professional development activities. Their disciplinary and academic knowledge base also enables them to undertake Master level study.

WIL604: Work Integrated Learning

The WIL unit, which incorporates an internship program while delivering a capstone project, offers students an opportunity to work closely with industry partners and academic mentors, enabling students to translate their theoretical knowledge into professional practice. This intensive work-based unit is expected to make the graduates more job-ready.

WIL604, which includes an Industry Internship, requires students to demonstrate their capabilities in delivering a project with the complex problems of real-life organisations, which is essential to complete a systems cycle. It is a comprehensive unit that offers students an opportunity to apply the knowledge and skills acquired earlier in the course across all Core Units and apply them in cross-disciplinary contexts to identify a business issue, articulate thoughts, investigate the key issues, and advance feasible solutions by means of a project life cycle. The material outcome of this capstone project, which integrates theoretical concepts and applies organisational solutions to project management, culminates in submitting a project report followed by delivering an audio-visual presentation in front of an internal and external audience.

Course overview

The Bachelor of Business (BBus) course will provide a broad range of business and management skills, that will be useful to students interested in working in a range of different roles in business. The course is built on a foundation of versatile business-related disciplines, such as, accounting, finance, management, marketing, human resource management, statistics, law, economics, ethics, entrepreneurship, international business, and information technology. Such foundation is then complemented with 4 special units and an Industry-based internship program. In addition, sufficient choice and flexibility is provided in the structure with a wide selection of elective units to diversify or specialise in a particular area.

Learning Outcome

The course learning Outcomes are statements of learning achievement that are expressed in terms of what the learner is expected to know, understand and be able to do upon completion of a course. Student graduating from this course will be able to demonstrate:

CLO1	Demonstrate broad and coherent knowledge and skills in the field of business for professional responsibility and further learning.
CLO2	Demonstrate adequate cognitive and technical knowledge and skills in general business and greater depth in critical areas.
CLO3	Analyse and evaluate relevant information to take various short- and long-term actions in the administration, strategy, marketing, and financial management of a business management of a business.
CLO4	Demonstrate well-developed cognitive and technical skills to adapt knowledge and skills to generate practical, timely, and appropriate solutions for complex business problems in diverse contexts.
CLO5	Select and apply appropriate methods and technology to communicate effectively with all stakeholders with clarity and comprehension.
CLO6	Apply knowledge and skills with initiative and proper judgment for problem
CLO6	Demonstrate the application of knowledge and skills with independence, responsibility, and accountability for self-learning and professional practice, and collaborate with others within broad parameters-solving and decision-making in professional practice and scholarship.

Career Opportunities

The course aims to offer a comprehensive program that contains an appropriate balance of general and specialised knowledge and skills to produce well-rounded graduates; and secondly, to foster a range of transferable skills that will enhance graduate employability. Lyons College Bachelor of Business graduates are expected to find employment across the corporate sector, industry, government and in non-profit organisations, among others.

According to the occupations list published by the Australia and New Zealand Standard Classification of Occupations (ANZSCO,2021) the Bachelor of Business graduates will qualify for employment in one or more of the following

Career outcomes

- Corporate Services Managers
- Business Analysts
- Advertising and Marketing Managers
- Human Resource Managers
- Advertising, PR and Sales manager
- Supply, Distribution
- Procurement Managers
- Project Manager / Lead
- Entrepreneur

The Internship Program

The BBus course includes an Industry-based Internship program, where the students will be working closely with industry partners and professional mentors enabling students to translate their acquired knowledge into professional practice. This intensive work-based unit is expected to make the graduates more job ready than it would be possible without it.

	Year 1	Year 2	Year 3
Semester 1	ECO101 Principles of Economics	FIN201 (Elective 4) Corporate Finance	BUS303 Business Ethics and Corporate Governance
	ICT102 Business Information Systems	ACC103 (Elective 1) Cost and Management Accounting	MGT205 Project Management
	BUS102 Business Statistics	BUS205 International Business	MGT302 Strategic Management

Student Testimonials

I was excited for my first day of Collage, it's just the beginning of my amazing journey that would shape my life in countless ways. Although, I felt a little bit lost on first day, however, i quickly ground my footing and started to make friends.

Yeshi Dorji Lodye (Bhutan)
- Diploma of Business (Current)

Lyons College gives me a dynamic, friendly environment for studying. I met a good teacher and she help me alot. I have met friends from Nepal, Bhutan, Pakistan, who are very kind and friendly.

Thi Thanh Nhan Phan (Vietnam)
- Diploma of Business (Current)

My trainer DR. HIEN, She was incredibly passionate about literature and had a way of bringing the text to life that make me fall in love with reading again. She is very supportive for her students and provide feedback on out work. I found myself looking forward to her class every week.

Ashish Subedi (Nepal)
- Diploma of Business (Current)

The teachers, staffs and students are friendly. The course fee is affordable for me. I am so lucky to have the opportunity to explore life in Australia with good friend and great teachers from Lyons College.

Selesty Subedi (Nepal)
- Diploma of Business (Formerly)
- Bachelor of Business (Current)

I am glad to meet good teacher and friends to guide me in class whenever i face difficulties to do assignment.

Huadi Zheng (China)
- Diploma of Business (Current)

My intake started in last Oct 2022 and I have been taking my online and physical classes. I just wanted to thanks for the opportunity that Lyons College has given me. I really like the environment here and like being here and i really appreciated Dr Hien , she is very supportive and helpful trainer.

RII60520

Advanced Diploma of Civil Construction Design

CRICOS Code	110319F
Duration	104 Weeks / 2 Years <i>(Inclusive of holidays and study break)</i>
Study Mode	Face to face
Course Fee	\$24,000 (For 2 years)
Entry Requirement	Completion of Australian Year 12 studies or equivalent
English Proficiency	IELTS (Academic) overall score of 5.5 or equivalent
Intake	Quarterly - January, April, July, October
Delivery Location	Level 4, 303 Collins St, Melbourne, VIC 3000

Course Overview

The Advanced Diploma of Civil Construction Design is a 2-year/104 weeks course and that will equip you with the practical and technical skills to work with civil engineers on the design and construction of infrastructure projects. Civil construction design involves the design and construction of roads, airports, railways, buildings and bridges.

Student will develop skills:

- Using computer-aided design (CAD) software including Auto-CAD to produce detailed drawings, plans and designs for construction work.
- Project and risk management
- Liaising with construction workers and project managers
- Developing civil construction design skills to meet the Australian market needs

In this course, the student will gain the technical and practical skills to work with civil engineers on the design of infrastructure projects. This civil construction design qualification reflects the role of an individual working as a civil construction work designer who supports civil construction engineers. The students perform tasks that are broad, specialised, and include strategic areas and initiating activities. Students are responsible for the design of complex projects to ensure the implementation of the client's site requirements and are required to demonstrate self-directed application of theoretical and technical knowledge and initiate solutions to technical problems or management requirements.

Recognition of Prior Learning and Credit Transfer:

Lyons College recognises Australian Qualification Framework qualifications and statement of attainments issued by other Registered Training Organisations. You may be able to shorten the length of your chosen course by assessing qualifications obtained from formal studies or training.

For details, please refer to the website (www.lyons.edu.au) for the Fees and Charge Policy.

Your Student Visa

Your responsibilities as an international student in Australia

As an international student on a student visa, you must:

- Comply with your student visa condition ensure you have and continue to maintain your Overseas Student Health Cover (OSHC) for as long as you stay in Australia on a student visa
- Tell your institution if you change your address or other contact details.
- Meet the terms of your written agreement with your education institution.
- Maintain satisfactory course progress and attendance.

Information about visa conditions for student visa holders is available on the Department of Immigration and Border Protection's website at <https://immi.homeaffairs.gov.au/visas/alreadyhave-a-visa/check-visa-details-and-conditions/see-your-visaconditions?product=500>, or call 131 881 on Monday – Friday from 8.30am to 4pm inside Australia (except public holidays).

Academic Integrity and Misconduct

The Australian Government and education institutions take issues of academic integrity very seriously. Education institutions have many ways of detecting cheating or plagiarism in exams and assessments.

Using ghost writing services, asking someone to take an exam in your place, or any other kind of academic misconduct will result in serious action being taken against you. Your enrolment or student visa could be affected, or cancelled altogether.

If you are struggling with your studies, it's best to ask your institution what support services they can offer you.

Your Consumer Rights and Protections

Protecting your tuition fees

Australia is widely recognised as a world leader in protecting the tuition fees of international students through its Tuition Protection Service (TPS). The TPS assists international students whose education institutions are unable to fully deliver their course of study, and ensures that international students are able to either:

- Complete their studies in another course or with another education institution, or
- receive a refund of their unspent tuition fees.

1. Choose

Decide on the courses you wish to study
Check the entry requirements

2. Prepare

Depending on the course, prepare the supporting documents for application, which may include:

- Official academic documents
- Evidence of English proficiency
- Copy of your passport
- Employment-related documents

3. Apply

Submit your application to Lyons College (you can submit your application to: internationaladmissions@lyons.edu.au or apply your application through Lyons College's representative agents).

4. Accept Offer

If you have received the offer from Lyons College, congratulations!
Check all the conditions on your offer letter and make payment for accept your offer.

5. Arrange Visa

Once you have the CoE, you will need to apply to the Australian Department of Home Affairs (DHA) for your Student Visa.

6. Organise Travel

Once your visa granted, you can organise your travel and accommodation to Melbourne. Make sure you arrive in Australia prior to your orientation date.

Follow the simple steps ,
you will be one step closer
to the international adventure
of your dreams.

Getting Ready To Come To Melbourne

There are important things you should arrange before you travel to Victoria. This section includes information, a packing guide and pre-travel checklists to help you get away smoothly.

Applying for Your Student Visa

Once you receive your eCoE, you will need to apply for a student visa from the Department of Home Affairs (DHA). You can apply directly with DHA. Details of how to apply directly with DHA is available at their website <https://www.homeaffairs.gov.au/trav/visa/app/student>

Migration Agents

You may wish to use a migration agent instead of applying directly to DHA. A migration agent can assist you in submitting your visa application and communicate with DHA on your behalf. Migration agents will charge you fees but cannot guarantee you an outcome. More information on migration agents is available from DHA here:

<https://www.homeaffairs.gov.au/trav/visa>

Visa Condition

If you are granted a visa, you must abide by all conditions set out in your visa. Failure to comply with these conditions could result in the cancellation of your visa.

Under these conditions, you must:

- Complete the course within the duration specified in the eCoE
- Maintain satisfactory academic progress as per Lyons College's
- Course Progression and At Risk Student Policy
- Maintain approved Overseas Student Health Cover (OSHC) while in Australia
- Remain with Lyons College for six months from the time you commence your principal course, unless Lyons College approves a release
- Notify Lyons College of your Australian address and contact details
- Notify Lyons College of any change to your address or contact details within seven days.

Come To Melbourne

You will need to make your own travel arrangements to Australia. Generally, booking return flights is cheaper than one-way flights. There's a lot of competition with flights and a lot of online booking sights, so keep your eyes out for flight specials. Please try to arrive at least one to two weeks before the start of your Orientation. This will allow enough time for you to settle in, adjust to the climate and overcome jet-lag (depending on where you are coming from). As the Lyons College campus is located in Melbourne, you should fly into Melbourne International Airport.

Preparing to study in Australia

You should make a list of things to do and things you need before you depart. Here are some of the most important items you should arrange before you leave:

- Your passport must be valid and have details of your student visa
- Make sure you have a copy of your eCoE from Lyons College
- Ensure you have your flights details and documents
- Make sure you have a copy of any accommodation and airport pick up services that you have arranged
- Your Letter of Offer and Student Agreement from Lyons College
- Proof of payment to Lyons College
- Evidence of previous studies as well as your English Language test results (certified copies would be best)
- Bring copies of other forms of identification other than your passport (drivers licence, ID cards, birth certificate)
- Bring your credit card if you have one
- Make sure you have made arrangements with your bank, so you can access money in Australia
- It is a good idea to bring some Australian currency with you, so you have cash when you arrive (\$200 to \$500 should be enough)
- Bring medical records and any medications
- If you are travelling with your family, please make sure you bring all of their passport and other documents (like marriage certificate for your husband/wife and birth certificates for any children)

For a full list of mandatory and discretionary student visa conditions, please visit the DHA website at <https://www.homeaffairs.gov.au/trav/stud/more/visa-conditions/visa-conditions-students>.

If you have any queries, please contact or email Lyons College's Student Support team.
